

THE BEGINNING

The first visit of Our Lady of Light was September 1, 1991 at a farm in Indiana. The visionary from Batavia, Ohio, her daughter and 3 friends noticed a light in the shape of a lady coming from an area of trees. As they prayed the Rosary, the visionary asked the lady who she was... "I am from the Lord... I am the Lady of Light. Take my light and spread it into the darkness of ignorance overshadowing the earth."

On Mother's Day, 1992, at the Notre Dame

Marian Conference, this Batavia Visionary was advised by Our Lady of Light to contact Fr. Leroy Smith pastor at St. Joseph Church, Cold Spring, Kentucky, where

Our Lady's three priests: Msgr. Lawrence Sweeney, Fr. Leroy Smith, and Fr. Donald Rinfret, May, 1994

she would appear August 31st. Her public apparition occurred that August as promised and was repeated there August 31st of 1992 and 1993 and at Our Lady of the Holy Spirit Center 1994-99.

Gerald Ross (1929-2005) founded Our Lady of Light Foundation to help fulfill Our Lady's wishes. Upon the approval of Pope Paul VI, ... publications about new appearances, revelations, prophecies, miracles, etc., have been allowed to be distributed and read by the faithful without the express permission of the Church, providing they contain nothing which contravenes faith and morals. This means that no Imprimatur is necessary when distributing information on new apparitions not yet judged by the Church.

A panel of five priests reviewed all messages received by the Batavia Visionary and found them

containing nothing that contravenes faith and morals.

GUIDANCE

Protect the Children - Our Lady's first words 9/1/91
It is my desire that this area be an example of the Christian love that should be a part of your daily lives. From this area will come the peace to overflow and fill your nation and then your world.... I need the help of all of you. Our Lady of Light Ministries shall become the forerunner of my mission here in this land. Regardless of the title bestowed on me, I am the same lady, I am your mother and the Queen of Heaven. The Father has permitted me to attend you now and I call on each of you to walk with me in this holy battle.... If you choose to come into my ministry, I desire that you align your will to the will of the Father and convert your lives back to God.... My House, the seminary, shall be established to renew and strengthen the leaders of the faith [priests]. They shall gather their flock and teach them in the ways of unconditional love which is God's love. This should be exemplified by all of you that choose to come under my banner of Our Lady of Light Ministries. [2/28/93] I now ask that you also set up a youth counseling service at My House.... It is my desire that My House be a safe refuge for them, where they can receive guidance, help and compassion through Our Lady of Light Ministries. [9/4/94]
